

# Career Exploration Workshop

STUDENTS LEARN ABOUT LABORATORY SCIENCE CAREERS

**April 24, 2015**

**8:30AM-11AM**

**Michigan Historical Museum- Lansing, MI**

## Nominate Your Students!

Students in grades 9-12<sup>th</sup> that are interested in science are invited to attend our workshop! Complete the nomination form on the back of this flyer. Feel free to nominate as many students as you would like!

## Overview of Workshop

Lab professionals will discuss their careers within laboratory science. Students will be allowed to ask questions. We will have a virtual lab tour of the Michigan Department of Community Health Bureau of Laboratories and other interactive sessions.
